Comfort and ease

The Dash Chair's simplistic curves create comfort and support. Standard seat depth adjustment, weight activated auto-balance mechanism and self-adjusting lumbar support, make the Dash Chair comfortable and intuitive. 3D adjustable armrests and polished aluminium base are optional, the frame is available in either black or white-grey.

Dash seat upholstery is available in a large range of fabrics, vinyl or leather and for the backrest a beautiful dual layer, soft feel 3D air mesh is standard. Dash is supplied fully assembled and ready to use.
