## MEETING

## OVERVIEW

The COLO Meeting chair is an elegant soothing chair, slightly more compact than his big brother the DELPHI. The compact overall dimensions cleverly hide the generous internal seat size, and with the addition of the elastic spring in the backrest – it delivers ideal comfort. COLO Meeting is available with two base types to suit any purpose and space. A great option for both informal and formal applications, boardrooms, reception areas, visitor spaces, waiting rooms and breakout areas.

The COLO Meeting boasts a fresh, modern design style with uncompromised comfort.
